*Premier Planning and Management Consulting 's Medical Division is proud to articulate a set of core values that truly reflect our commitment to our employees and customers. These principles are promoted and recognized across the Company and have been, and continue to be, central to our Medical Staffing Division 's success. Our reputation stems from our commitment to the highest ethical and quality standards. We are not your typical "medical staffing agency." We distinguish ourselves as a value – added medical staffing provider, and pride ourselves on our responsiveness and flexibility. We strive to be the healthcare facilities' number one choice, while maintaining a customer service level second to none. We pride ourselves on our consistent service delivery.*
